

REHABILITATIVE SERVICES

ATTENDANCE POLICY

Your care is important to us. We strive to have all of our patients reach their maximum rehabilitation potential. In order for us to do this, we need our patients to be active participants in their rehabilitation process. It is important that you attend all prescribed therapy appointments.

If you are unable to attend, please notify us as soon as possible. We will do our best to reschedule your appointment. If you are late for your appointment, we will try to accommodate your needs in the time left in your appointment, or your appointment may have to be rescheduled. Your physician may be contacted and treatment may be discontinued if you miss three or more appointments or if there is a lapse of a week or more in treatment without prior notification.

Thank you for choosing Valley West Community Hospital as your rehabilitation provider.
